

Mesulam Center for Cognitive Neurology and Alzheimer's Disease

ALZHEIMER'S DISEASE SEMINAR SERIES

Is There a Role of Cerebrovascular Disease in our Conceptualization of Alzheimer's Disease?

Hosted in collaboration with the Department of Radiology.

Thursday, January 9, 2024
12:00 to 1:00 P.M.

Hughes Auditorium
Robert H. Lurie Medical Research Center
303 E. Superior St.
Chicago, IL 60611

Boxed lunches will be provided for the first 75 attendees.

FSM's CME Leadership, Review Committee, and Staff have no relevant financial relationships with ineligible companies to disclose.

Participants will gain an understanding of current issues in clinical and basic science research in Alzheimer's disease, related disorders, and cognitive neuroscience.
